Authorization Affidavit to Release Vehicle for Repair or Salvage

I/we being the legal owner or owner's representative/agent do hereby authorize Emerald Transportation Corporation, hereinafter referred to as "Contractor", to release my vehicle described below to my chosen repair center or insurance agency for repair or salvage. I understand and agree that although Contractor may receive compensation to advertise for various repair centers, that Contractor is independent from any repair center, that Contractor receives no remuneration for my repair center selection, and that I have selected the repair center on my own free volition. As such, I hereby agree to indemnify and to hold Contractor harmless for my selection of same. This authorization will allow Contractor to transport or to release my vehicle to the repair center, insurance company or agent that I have chosen and all charges for towing, recovery, and storage will be paid by my repair center, insurance agency, or agent at the time of release or delivery of vehicle. I understand that my repair center may charge higher fees than Contractor, and that Contractor recommends that I confirm all fees and costs that will be charged prior to the release of my vehicle.

Payment Acceptance: Cash, Visa, MasterCard, Amex, Debit Card, Company Check.
